Quito, January 23, 2021

Mr.
Edison Lascano
Full Time Teacher of the Computer Science Department
Army Forces University ESPE.

Letter of Intent

"Prototype of virtual ID for students of the Army Forces University ESPE"
Submitted as a project proposal within the Object Oriented Programming subject with NRC 2858 promoted by Mr. Edison Lascano, PhD, Full Time Teacher of the Computer Science Department of the Army Forces University

I the undersigned, confirm on my name, Mr. Ramiro Delgado, PhD. I am interesting in the above mentioned project and I support it. Also, I would like to be kept informed about the progress.

I believe that the submitted proposal is part of the goals and aspirations that the "MAJOF Developers" team have as part of their evolution. The developers that are part of the team are:

- Mishell Estefania Moromenacho Tipan (Coordinator Team)
  Id: 1724686538
  Banner Id: L00373618
- Johny Nicolay Navarro Zambrano
  Id: 1317635918
  Banner Id: L00384321
- Francisco Javier Ocaña Bolaños
  Id: 1722342498
  Banner Id: L00284432
- Fernando Oscar Pallasco Mancero
  Id:1726407636
  Banner Id: L00376059
- Bryan Alexander Pazmiño Gordon
  Id: 1725536732
  Banner Id: L00384538

I therefore fully support this initiative.
